

Green-Maximum

Biological Washroom Deodoriser Cleaner

Available in: 6 x 750ml
Order Code: 7563/06

PRODUCT DESCRIPTION

Green-Maximum removes organic staining and odour problems in order to maintain a clean, odour free washroom area.

Green-Maximum is ideal for all washroom surfaces, including floors and walls contaminated with urine. Spray and wipe all ceramic surfaces to control soiling and scale.

DIRECTIONS FOR USE

For an odour free washroom: Spray or swab Green-Maximum onto the contaminated surface making sure you work it well into the soiling with a clean, damp cloth or mop. Leave Green-Maximum to work for a few minutes before wiping away any excess product. Do not rinse but allow to dry slowly. Repeat regularly until problem has been eradicated.

To maintain an odour free washroom, spray and wipe soiled and contaminated areas regularly with Green-Maximum.

For sink and waste outlets: Pour a little directly into sink or urinal outlets during quiet periods or at night, to eliminate scale, odours and blockages.

- Maintains a clean, odour free washroom area.
- Ideal for all washroom surfaces, floors and walls contaminated with urine.
- Spray and wipe all ceramic surfaces to control soiling and scale.
