

Drain Solution

BT8

Available in: 4 x 5ltr & 6 x 1ltr
Order Code: 1763/06 & 6963/06

BT8 is supplied ready-to-use in 5L or 1L bottles.

PRODUCT DESCRIPTION

- *Digests odours & blockages*
- *Improves flow rates*
- *Effective on small-bore pipes from sinks, baths, showers and kitchen units*

DIRECTIONS FOR USE

Remove any excess water and pour 50ml directly into sink plug hole or drain outlet.

Add about one cupful of warm (not hot) water to activate unblocker.

Leave for a minimum of 30 minutes (or overnight if possible). Flush with hot water to remove residue.

To ensure trouble free, odourless outlets pour 50ml into opening regular (at least once a week).

Repeat if necessary.

Provides optimum performance

Reduced carbon footprint in production and in transit

Multi-sector usage

Low cost in use

The Maximum Eco Biotech Range provides the highest level of cleaning performance with a minimal impact on the environment.

- *A fragranced solution containing application specific bacteria cultivated to break down waste in drainage systems.*
- *Suitable for all types of drains, septic tanks and sewage treatment systems.*
- *Rapidly improves flow rates and reduces odours.*
