

Biological Urinal Blocks

Available in: 1.1kg
Order Code: 5091/72

PRODUCT DESCRIPTION

Water soluble cleaning and deodorising blocks for use in all urinals.

DIRECTIONS FOR USE

*Put one or two blocks in each urinal.
For troughs place 50cm apart.
Store in a cool, dry place.*

Average contents 50 blocks.

FEATURES AND BENEFITS

- Strains of harmless bacterial cultures together with environmentally sympathetic chemical cleaners break down the organic waste and uric scale in urinal traps and pipes that cause odours, blockages and flooding.
- Use of Biological Urinal Blocks reduces flushes to typically 3-4 times a day.
- Offers significant water-saving benefits.
- Biological Urinal Blocks do not contain pDCB or other dangerous chemicals & are particularly suitable for use in public buildings, hotels, pubs, clubs, institutions & restaurants etc.
