KITCHEN DEGREASER RTU INFORMATION SHEET

USE:

A food safe kitchen degreaser that efficiently removes grease, fat and oil from a variety of hard surfaces. This odourless cleaner is ideal for use in food preparation areas.

DIRECTIONS:

Wear protective gloves. Spray neat product onto the surface, leave to react for a few seconds then wipe off the dirt with a clean damp cloth, rinse the cloth frequently in clean water. Always clean vertical surfaces from the bottom up to avoid unsightly streaking.

TECHNICAL:

State:	Liquid
Colour:	Green
Odour:	Characteristic odour
Oxidising:	Non-oxidising (by EC criteria)
Solubility in water:	Soluble
Viscosity:	Non-viscous
Flash point°C:	>70
pH Level:	8

PERSISTENCE AND DEGRADABILITY: Biodegradable.
